- LING 565    Pragmatics  
LING 563    Philosophy of Language  
LING 596D   Topics in Philosophy and Linguistics  
LING 696A   Seminar in Syntax and Semantics (when a semantics focus is given)  
LING 696E   Master Seminar in Cognitive Science

**SYNTACTIC THEORY**

- LING 504    Advanced Syntax  
LING 505    Theories of Grammar **OR** LING506 Major Works  
LING 696A   Seminar in Syntax and Semantics

*The minor for students not majoring in Linguistics*

Students who are enrolled in other departments may minor in linguistics. This minor consists of 9 units to be assembled in consultation with a minor-area advisor who must be faculty in the linguistics department. The minor area advisor will also serve on the students oral comprehensive exam committee. There is no paper requirement for the external minor, however, students are strongly encouraged to write one anyway.
